

KHIND 10kg/6kg Washer Dryer WD1438

Installation Policy (Terms and Conditions)

1. Before delivery, customers are required to ensure the availability of a water tap, power socket, drain outlet (within the same proximity) at the placement location of the washer dryer.
2. If the customer does not have proper plumbing or electrical outlets, installation may not be possible and the order will be postponed/declined.
3. This appliance is intended for indoor household use only and not intended for commercial, industrial or outdoor use.
4. KHIND reserves the right to void the general warranty of the washer dryer if the machine is found to be in a location that is not suitable for operation. Such places include but not limited to bathroom, outdoor areas that are prone to direct sunlight/rain, and/or areas prone to direct contact with moisture/water, and/or premises set up for commercial reasons.
5. The use extension cable or multi plug socket is strictly prohibited.
6. Customers are not allowed to install the machine by themselves, this is for us to ensure consistent customer experience and immediate usage for the customer.
