ADDITIONAL INFORMATION REQUIRED BY THE BURSA MALAYSIA SECURITIES BERHAD LISTING REQUIREMENTS

1. Review of Performance

Comparison results of current quarter and previous corresponding quarter

The Group recorded revenue of RM87.28 million for the current quarter under review representing a decrease of 2.2% over revenue of RM89.25 million of previous corresponding quarter.

The Group recorded profit before tax of RM4.17 million for the current quarter under review representing a decrease of 29.1% over profit before tax of RM5.88 million of previous corresponding quarter.

Comparison results of current period and previous corresponding period

The Group recorded revenue of RM161.41 million for the current period under review representing an increase of 2.3% over revenue of RM157.82 million of previous corresponding period.

The Group recorded profit before tax of RM3.53 million for the current period under review representing a decrease of 54.3% over profit before tax of RM7.73 million of previous corresponding period.

The performance of the business segments for the current period is described as below:

1) Investment Holdings Division

Included in the profit before tax is a one-off gain on controlled transferred property, plant and equipment to one of its subsidiary.

2) Trading and Service Division

The revenue in Trading and Service Division recorded a slight decrease of 0.59% as compared to previous corresponding period. However, the division's profit decreased significantly by 52.2% as compared to previous corresponding period mainly attributable to the increase in operating cost, resulted by the adverse fluctuation in exchange rate as well as bad and doubtful debts provision in the period under review.

3) Manufacturing Division

The revenue in Manufacturing Division has increased by 3.8% as compared to previous corresponding period which is mainly derived from local OEM customers despite lower demand from inter-companies.

The division's profit has increased by 76.3% which is attributable to improved sales margin as a result of economies of scale.

2. Variation of results against immediate preceding quarter

The Group recorded revenue of RM87.28 million for the current quarter under review, representing an increase of 17.7% as compared to RM74.13 million in the immediate preceding quarter. Meanwhile, the Group recorded profit before tax of RM3.27 million, representing a significant increase of 750.4% as compared to the preceding quarter of loss before tax of RM0.50 million.
