1. Review of Performance

Comparison results of current quarter and previous corresponding quarter

The Group recorded revenue of RM82.22 million for the current quarter under review representing a decrease of 2.1% over revenue of RM83.98 million of previous corresponding quarter.

The Group recorded loss before tax of RM0.20 million for the current quarter under review representing a decrease of 113.0% over profit before tax of RM1.55 million of previous corresponding quarter.

The performance of the business segments for the current quarter is described as below:

1) Investment Holdings Division

While maintaining the rate of management fees charged, the Investment Holdings Division has incurred higher expenses in providing management services to subsidiaries, therefore resulted a higher losses suffered in this current quarter.

2) Trading and Service Division

The revenue in Trading and Service Division recorded a marginal increase of 0.5% as compared to previous corresponding period. The mere increase was mainly due to higher sales achieved by overseas subsidiaries and better demand between inter-companies. However, the increase has been partially offset by the slowdown in local sales demand.

Despite the improvement in revenue, the division's results decreased substantially by 62.0% as compared to last corresponding period. The significant decline in profit was mainly attributable to the increase in operating cost and decrease in other operating income.

3) Manufacturing Division

The revenue in Manufacturing Division has increased by 33.7% as compared to previous corresponding period which is mainly due to higher sales from inter-companies. However, the division's results has not moved in tandem with the growth of revenue. The increase in profit was partially offset by increased raw material and production cost due to depreciation of RM against USD.

2. Variation of results against immediate preceding quarter

The Group recorded revenue of RM82.22 million for the current quarter under review, representing a decrease of 1.6% as compared to RM83.53 million in the immediate preceding quarter. Meanwhile, the Group recorded loss before tax of RM0.20 million, representing a significant decrease of 112.5% as compared to the preceding quarter of profit before tax of RM1.62 million.

3. Commentary on prospect

The Board of Directors is of the view that the performance is satisfactory, despite softening business conditions and competitive environment.

The Board considers the Group's outlook for the year to remain challenging.
